WELCOME TO CALIFAX MINERS

Wealth Management made easy with Califax Miners!

Califax Miners is an investment company & generally our profits comes from two different markets. Majority of the profit earned is through trading in cryptocurrency market and forex trading markets. Among our company staff are financial analysts and experts in the field of trading and financial forecasting, they have sufficient experience and necessary skills to conduct effective and profitable trading. During the last few years our traders have developed the concept of break-even trade to minimize risks & maximize profits. They use a unique strategy that ensures uninterrupted profits to pay our company's investors.

ABOUT US

Who We Are & Why Choose Us

Califax Miners is a federal regulated financial company located at Scotland with registration No. SC327000. This platform Certified and highly secured platform with one of the highest cc monitoring device that summit every transaction that being carried out by the automated system.
